Secondary Colours

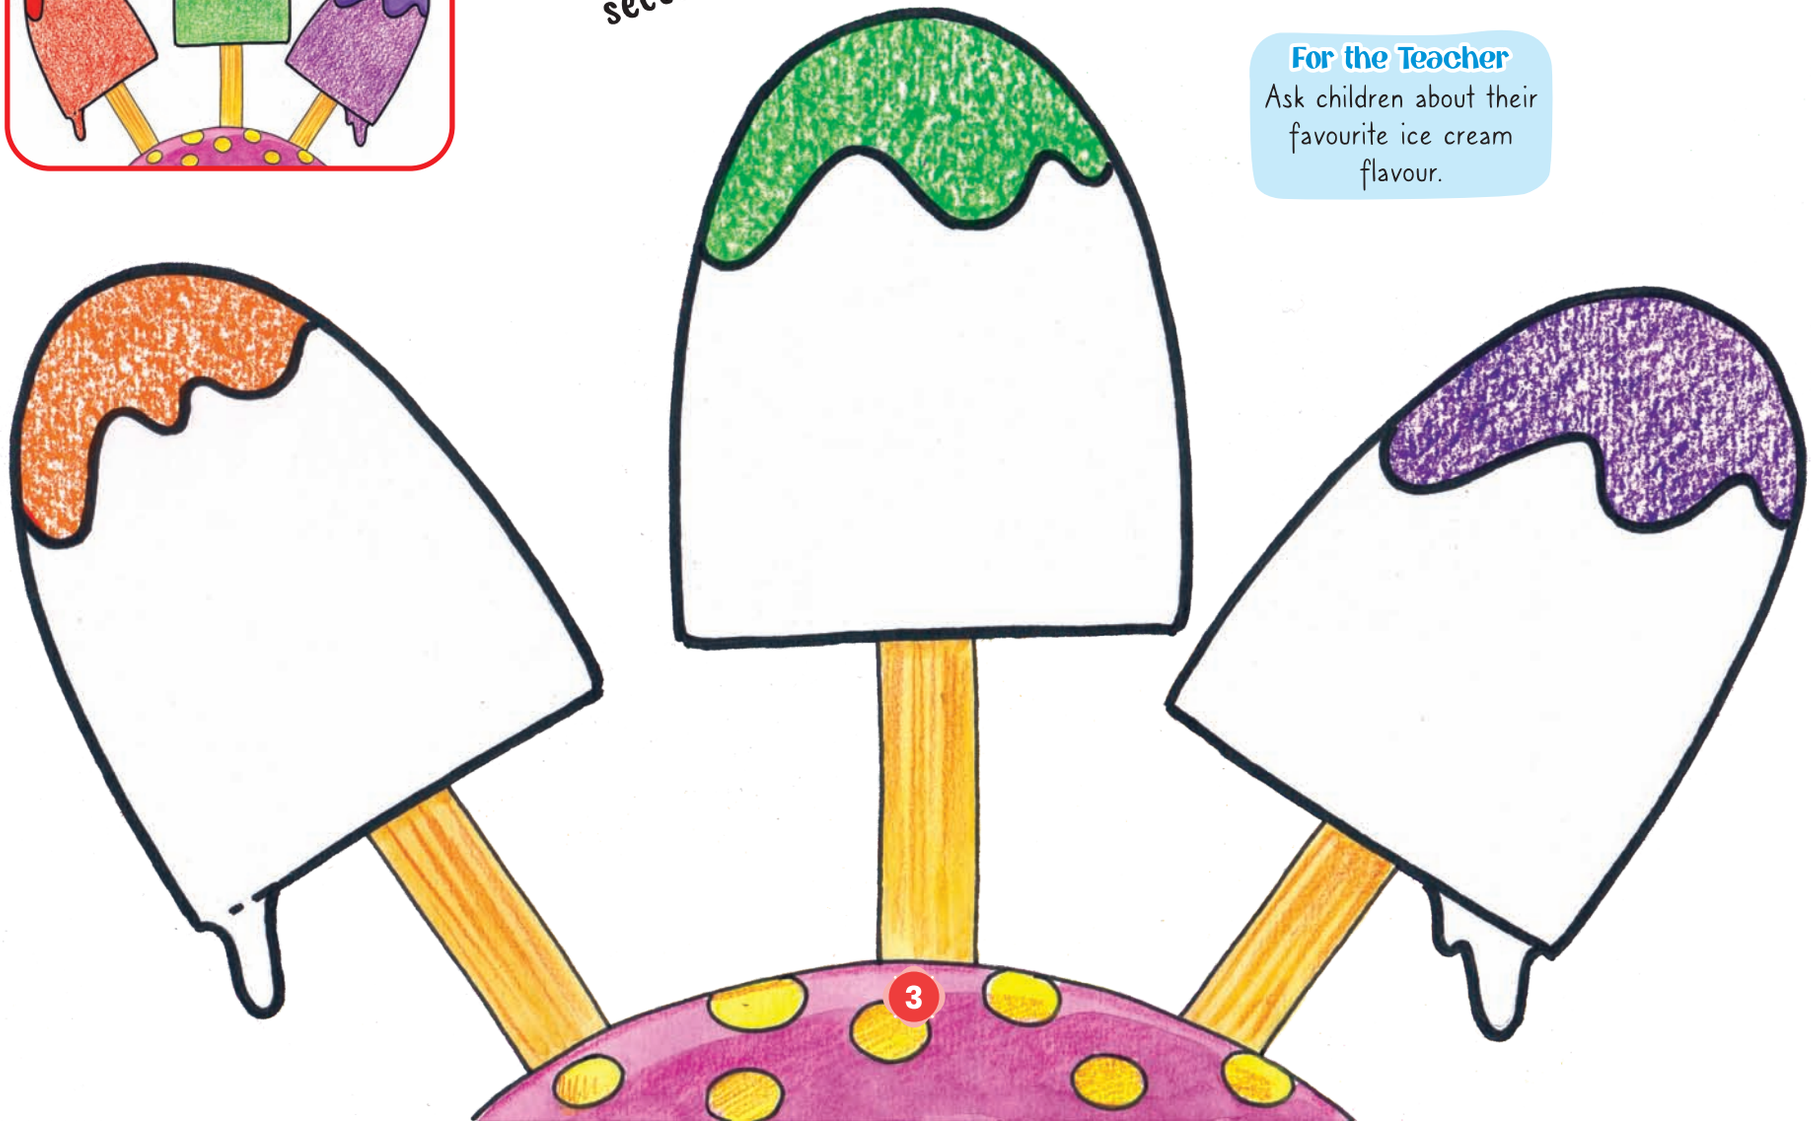

Colour the ice creams using orange, green and purple crayons.

Orange, green and purple are secondary colours.

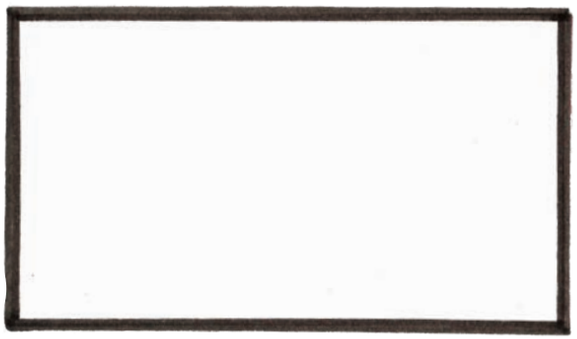

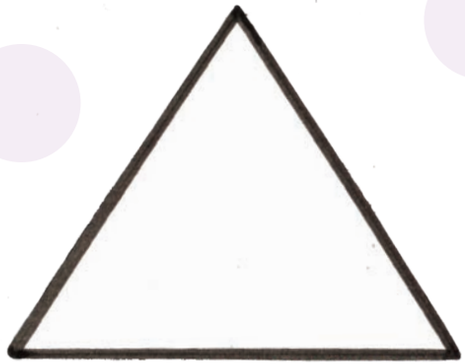

For the Teacher
Ask children about their favourite ice cream flavour.

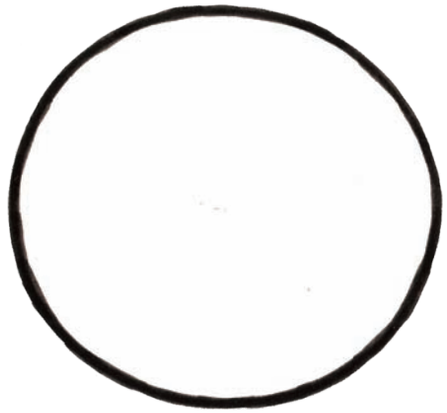

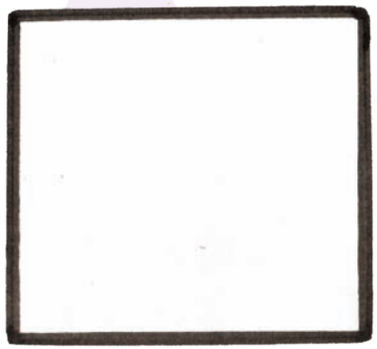

Shapes

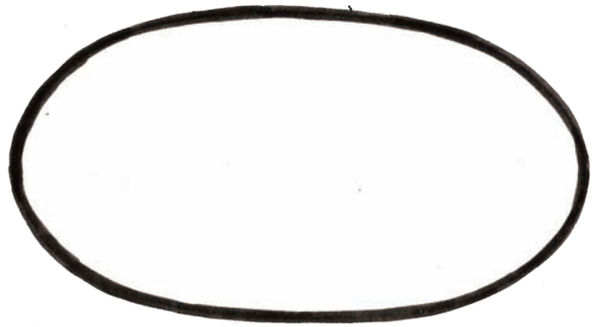

Colour the given shapes using crayons and match them with the corresponding objects.

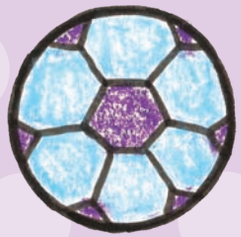

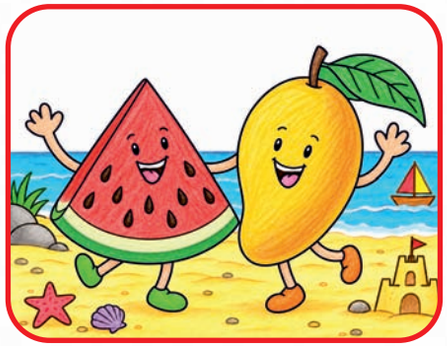

For the Teacher

Ask the children to look around and find out more objects with the same shapes.

Summer Time

Look at the picture and colour the watermelon and mango neatly with crayons.

Watermelon has lots of water in it, which makes it a refreshing **summer fruit!**

Cupcake Patterns

Colour the cupcake. Then draw different patterns on it using sketch pens.
